Subject: MonteAdriano awarded EDIA contract

Management of the MonteAdriano Group hereby wishes to inform that EDIA - Empresa de Desenvolvimento e infra-estruturas do Alqueva, SA has awarded to MonteAdriano Engenharia e Construção (MAEC), in consortium, the contract work for Construction of Infrastructures for Spraying and Draining of blocks of Ferreira, Figueirinha and Valbom, in the amount of around 29 million euros.

The EP of Beja has awarded to the consortium of Betominho/ MAEC the contract work designated as «EN 123 Improvement Castro Verde - Mértola –Junction with EN 122» in the amount of around 5,8 million euros, and the City Council of Loulé has awarded to the consortium of GC/ MAEC the contract work designated as «Water Supply Networks and Sewers of Vale Judeu» in the amount of 6,4 million euros.

Betominho, SA is a company of the MonteAdriano Group whose main activity is included in the public works market, with greater prevalence in the field of road works. Its areas of business include public and private works, as well as hot and cold bituminous products.

GC, SA, a company of MonteAdriano Group recently restructured and with building permit no. 11, intervenes in the fields of services linked to urban infrastructures, hydraulic works and roads, with its main areas of business comprising mostly public and private works.

For additional clarifications, please contact Mafalda Gonçalves at the Communication and Marketing Department.

Regards,
Mafalda Gonçalves
